

TEEN TRANS-ILIENCY MONTHLY SUPPORT GROUP

SECOND MONDAY OF THE MONTH: 6PM-7:30PM
COST: \$15/SESSION

Join us at Phoenix Counseling Services, LLC for a teen process group to support those who identify anywhere along the transgender spectrum. This group will provide a safe space of support, affirmation, and empowerment.

This group is ideal for a teen who is struggling with the coming out process, in need of education or resources around options in transition, support around getting family/friends on board with transition, or simply would like to form connections with other teens who 'get it.'

In our first meeting, the group will identify important topics members would like to cover. The group will be facilitated by Elizabeth Dvorak, a master's level nationally certified counselor who specializes in working with adolescents and clients who identify as transgender.

IF YOU ARE INTERESTED IN JOINING THE GROUP, PLEASE CALL OR TEXT ELIZABETH TO SET UP AN INITIAL MEETING OR TALK TO YOUR CURRENT THERAPIST.
